1. SUMMARY

HANDIKOS (Association of Paraplegics and Paralyzed Children of Kosovo) was established in 1983 with the main objective to achieve full recognition and participation of people with disabilities in society. HANDIKOS actively lobbies and advocates at local and central level for the rights of people with disabilities, aiming to create an enabling and inclusive environment through increasing employment opportunities, improving access to education, including PWDs in social welfare and social security schemes and improving physical accessibility.

HANDIKOS, in partnership with Disability Partnership Finland, and Threshold (Finish NGO's) and Kosovo Association of Deaf & Kosovo Association of Blind, is currently implementing the EU funded project named “Promoting inclusiveness and outreach of the consultative processes for governance and public administration reforms in the disability sector at Local, National and Regional level – Inclusive Kosovo. Within this project, a number of several-days workshops is planned, for which HANDIKOS is looking for bidders who provide hotel services outside the area of Prishtina. All bidders must include the following services:

- Full board accommodation for person (price for single, double, and triple room);
- Training room suitable for up to 30 people;
